

miRNA

miRNA

circ RNA

A central red circle with a white center contains the text "circ RNA". Surrounding this circle are six stylized chairs arranged in a ring. The chairs alternate in color: blue, brown, blue, brown, blue, and brown. Each chair has a curved backrest and a seat with vertical slats. The chairs are positioned such that their backs are towards the center of the red circle. Above the top-left chair is the text "miRNA", and to the right of the top-right chair is another "miRNA" label.
